

# STAINLESS STEEL BRAKE LINES

Over 160 SKUs Covering More Than 55 Million Vehicles

**919-107**

Chevrolet Silverado 1500, GMC Sierra 1500 2002-99

- Preformed to fit the application, saving time by eliminating bending, cutting and flaring
- Includes all lines and fittings for a complete brake line repair
- Direct replacement ensures a proper fit every time
- Back by our Limited Lifetime Warranty

**OE PROBLEM:**  
Original steel lines rust from exposure to moisture and corrosive road treatments

**OE → FIX**

Upgraded to stainless steel to help prevent rust damage for a longer service life
